

# AutoCopier

## Automated Archiving of Discs

### DESCRIPTION

The Clover Autocopier is a tool for archivists that fully automates DVD and CD copying to a hard drive. It is a standalone system that includes a built-in PC with Windows 7. Just add monitor, keyboard, mouse, and printer, and you're ready to go to work. Automation can be turned off to use Autocopier in its manual mode.

### APPLICATIONS

- Copy 27 full discs per hour to the hard drive without operator intervention. Copy 250 discs or more in an 8-hour shift.
